

DDO 75-6947

18 December 1975

Mr. Pat Holt  
Chief of Staff  
Senate Foreign Relations Committee  
Room S 116  
The Capitol  
Washington, D. C. 20510

Dear Pat:

Returned herewith is the transcript of my remarks before the Subcommittee on Foreign Assistance of the Committee of Foreign Relations. Some parts of the transcript were so confused that I was uncertain as to what was said but I have endeavored to make a few minor corrections in language and spelling. In the interests of providing some continuity to the discussion I did not ask to go off the record in all the places I might have and where in normal sessions before Congressional committees we normally would so request, particularly in dealing with sums of money and covert operational details. Accordingly I have bracketed those portions which I would like to request be deleted from the record. I hope you will be able to accept these deletions in the interest of avoiding any further leakage of sensitive material.

For your reference these deletions are found on pages: 5, 6, 8, 9, 14, 15, 19, 21, 31, 48, 49, 51, 55, 56, 60, 62, 64.

25X1A

Sincerely,

  
William F. Nelson  
Deputy Director for Operations
